### NATIONAL CYCLE® SINGLE HOLDSTER WINDSHIELD BAG

- 553001 Fits: Wide Frame Heavy Duty windshields
- Made in USA

Style	Size	Mfg/N	P/N
Wide Frame Heavy-Duty	12.5" x 5" x 3.5"	N1310A	553001

415477

### HARBAGGER™ LOCK & DOCK LOWER FAIRING DOORS

The Hardbagger™ Lock & Dock Lower Fairing Doors feature replace existing O.E.M. Harley-Davidson® Lower Fairing snap-in Flat Cover Panels. These black cast aluminum locking door sets drop in place and use existing lower snap holes in the O.E.M. panel fairing frame. Once installed, the doors will safely hinge open to full 90° and can also be lifted out and completely removed when at a 45° angle for full fairing pocket access/fluid services.

- Easy to install with no tools or hardware
- Includes a Hardbagger logo medallion
- Designed specifically for the factory pop-out style doors and will not fit if your factory lower fairing doors are already hinged

Note: Cup Holder option accessory, P/N 415479, installs securely in a few minutes without any tools. The Cup/Bottle Holder option offers an oversized, all-weather pocket and sturdy cast aluminum swivel frame for years of use.

# KURYAKYN

### KURYAKYN® FAIRING LOWER DOOR POCKETS

These handy pouches mount directly over the factory lower fairing panels, providing a convenient storage option to keep smaller items at your fingertips. Clean lines with premium formed vinyl construction that retains its shape and is also UV tested. Heavy-duty magnetic closures ensure secure storage and easy opening or closing of the top lid.

- Interior mesh wall keeps items securely in place
- UV-tested formed vinyl construction offers shape retention whether empty or full
- Secure mounting to the panels that reinstall seamlessly in place
- Perfect match to the Batwing Fairing Pouch Bag, P/N 419863, sold separately
- Sold in pairs

### HARBAGGER™ LOCK & DOCK LOWER FAIRING DOOR CUP HOLDER MOUNT

Installs securely in minutes without any tools. The Cup/Bottle Holder option offers an oversized, all-weather pocket and sturdy cast aluminum swivel frame for years of use.

- Fits cups/bottles up to 3-1/2" in diameter
- Mounts to Lock & Dock Lower Fairing Doors, P/N 415477 and 415478

P/N  
415479

**MEMPHIS SHADES® BIG ZIPPER POUCH FOR FLH FAIRING**

Add extra storage to your FLH Fairing. Features three small front pouches and one large zippered pouch.

- Made in USA

HARLEY-DAVIDSON	Year	P/N
FLHT, FLHX, FLHTCUTG, FLHXXX	96-13	ME1495

**HOPNEL™ WINDSHIELD TRI-POUCH**

The Hopnel™ Tri-Pouch incorporates a large 7" x 4" clear cellphone pocket on the generous 8" x 4" x 2" center compartment. Cellphones, MP3 players or other devices load from inside the sleeve keeping rain out and devices dry. The clear UV-stabilized surface allows easy screen reading and will hold up in the toughest environments. The two end storage pouches are 4-1/2" W x 3" H x 1-1/2" D. Made from Hopnel's hand-selected marine grade vinyl, these Tri-Pouches will not wear out and each pouch is held closed by convenient hook-and-loop.

HARLEY-DAVIDSON	Year	P/N
FLH, FLT	96-13	411562

**KURYAKYN®**

**KURYAKYN® TRADITIONAL 3-POUCH FAIRING BAG**

More space than the average fairing bag. Pockets are large enough to accommodate items such as iPods®, cellphones or any other gadgets. Constructed from PVC leather. Pockets are easily accessible with magnetic closures.

- Includes all mounting hardware
- Dimensions: 20"W x 2-3/4"H x 3"D, middle pocket measures 9-1/4"W x 2-3/4"H x 3"D
- Fits H-D® traditional Batwing fairing on H-D® Touring models, Kuryakyn® AirMaster fairing and Sportech fairing

Note: Works well with Kuryakyn® Inner Fairing Accent or H-D® Fairing Dash Pad H-D® #58262-05.

HARLEY-DAVIDSON	Year	Mfg/N	P/N
FLHT	96-13	5212	486982

**KURYAKYN® BATWING FAIRING POUCH BAG**

Keep the small essential items at your fingertips with this structurally formed fairing bag that hugs the contours of the Batwing fairing and windshield. Specifically designed for maximum storage with an integrated channel to allow uninterrupted airflow from the Slipstream vent, with full access to the vent adjustment button.

- Premium thermoformed construction retains its shape
- Heavy-duty magnetic closures ensure secure storage and easy access
- Internal zippered storage in the main compartment for added convenience securing loose items
- Clean lines and a compact design that maximizes storage for cell phones, wallets, sunglasses and more

**KURYAKYN® AIRMASTER WINDSHIELDS**

Kuryakyn is fired up to offer this top-quality, custom windshield for H-D® Touring Models and AirMaster Fairings. This high-end windshield is custom-formed from premium materials using a proprietary process. Crown your bagger with the coolest windshield available.

- Manufactured from premium quality, hard-coated polycarbonate
- Unlike acrylic, polycarbonate will not crack or shatter upon impact
- Graphics are screen printed with proprietary inks making the images unbelievably sharp and durable at the same time
- Windshields are opaque, take into account that you must maintain a clear line of sight over the windshield
- The windshield should not obstruct your vision in any way

Note: Windshields are opaque, take into account that you must maintain a clear line of sight over the windshield. The windshield should not obstruct your vision in any way.

**KURYAKYN® SIDE AND CENTER WINDSHIELD TRIM FOR ROAD GLIDE**

Enhance the transition from windshield to fairing on the 15-21 Road Glide® with our chrome or gloss black side and center windshield trims that provide a clean, smooth-flowing appearance. Choose the side trims only, or complete the look with the center trim for full coverage. Made from lightweight injection-molded ABS, installation of the gloss black trim pieces reuses O.E.M. hardware while the chrome versions come with stainless steel replacement screws.

**BURLY BRAND FAIRINGS**

Introducing the Burly Brand line of fairings: Unique universal designs for most applications with a 5-3/4" headlight. Fairings are made of high quality molded ABS and paired with impact resistant Acrylic windscreens for strength and durability. Included with all fairings is a universal mounting kit that provides you with everything you need to install on your motorcycle. Mounting brackets are made of black powder-coated heavy duty steel and allow for a great range of adjustability, allowing you to get your fairing set up just how you like it while remaining as low profile as possible. Available for 35mm-49mm forks.

Touring Sport Fairing:

The Touring Sport fairing embodies an aggressive cruiser style (inspired by FXR and T-Sport DNA). The sweeping lines flow nicely with the motorcycle and look great with a variety of handlebar setups. Flanking the headlight bucket are two styling pockets with great potential for further customization with lighting. Available with both tall and short windscreen options that securely mount with corrosion resistant black hardware. Take your next expedition with the Touring Sport Fairing.

Café Sport Fairing:

Minimal and sporty, the Café Sport fairing adds just the right amount of style in a compact package. The simple one-piece fairing evokes a sense of speed with its scooped styling pockets and tight tucked mounting position. Add some extra character and clean up the front end of your bike with the Café Sport fairing.

Outlaw Fairing:

The Outlaw fairing is clean and mean. With a refined style inspired by classic motorcycle heritage, this fairing brings a road warrior attitude to any bike. The impact resistant Acrylic windscreen fits flush with the fairing, mounting with corrosion resistant black hardware.

- Corrosion resistant black hardware

**MEMPHIS SHADES® BATWING FAIRING STORAGE BAG**

If you like to remove your fairing when trailering, washing your bike or just taking a joy ride, a fairing storage bag can protect your investment. It safely stows in a car trunk, in a motel room, or at home, you can save space and hang it on the garage wall out of harm's way. Why not have fairings for all occasions on your wall? Constructed of 600-denier tool bag material and lined with faux Sherpa to ensure a mar-free surface.

- Safe way to carry or store Memphis Shades Batwing fairing
- Convenient handle for carrying or hanging out of harm's way
- Will hold one Memphis Shades Batwing Fairing with mounting plates and windshield installed
- Made in USA

### MEMPHIS SHADES® GAUNTLET FAIRING

The Gauntlet Fairing offers minimalist style and maximum function for your Harley-Davidson® Dyna or Sportster®. A quarter fairing that provides the style you want and torso protection you need for extended mile rides. Comes in a Class A, gloss black finish that looks great as is but can also be easily painted to match your style.

- Unitized quarter fairing with a matte black finish inside
- Smoked windscreen
- Made in USA
- Model-specific Trigger-Lock Mount Kit, sold separately

HARLEY-DAVIDSON	Year	P/N
FXDL	14-17	ME0643
XL1200C	11-19	ME0643
XG	15-20	ME0643

### MEMPHIS SHADES® CAFE FAIRINGS

The Cafe Fairing is the perfect fit when only the most compact and sleek fairing fits the style of your Harley-Davidson®. Designed to fit most of the Sportster and Dyna models, the Cafe Fairing blends old-school style with new-style function. The Cafe Fairing comes in a gloss black Class A finish, so you can leave it stock or easily prep it for paint to match your very own style.

- One piece construction with machined groove outlines
- Class A gloss black finish that looks great as is or can be easily painted
- Made of aircraft-grade Lucite
- Custom-fit, model-specific mounting kits feature Memphis Shades exclusive Trigger Lock Mounting System for on and off without tools
- Made in USA

**MEMPHIS SHADES® ROAD WARRIOR WINDSHIELDS**

The Memphis Shades® Road Warrior Windshields are made from durable Lucite® and feature superior optics. Multiple tint and height combinations allow you to find the right look and feel for your ride.

- Dark Black Smoke (black tint with 25% visible light transmission) and Smoke (black tint with 40% visible light transmission)
- Made in USA
- Fits Memphis Shades Road Warrior Fairings

Note: The fairing adds roughly 3" of height to the windshield. An 11" windshield has a 14" height from the top to the headlight opening.

**MEMPHIS SHADES® MEMPHIS FATS WINDSHIELDS FOR ROAD KINGS**

The Memphis Fats feature classic American styling including 50-State D.O.T.-approved Solar and Clear tints. At 2" wide and available in five different heights from 13" to 21", if you are looking for a full coverage windshield, the Memphis Fats is the right one for you!

The windshield is constructed from Lucite® acrylic for excellent optics and durability. Unlike many other brands, these windshields can be repaired with plastic polish (Novus is recommended). The windshield straps are polished stainless steel with CNC-machined billet aluminum fittings and stainless steel socket-head screws, so nothing will ever rust or corrode.

- Features traditional American styling with a unique cutout for dual headlight
- Five standard heights to choose from: 13", 15", 17", 19", 21"
- Windshield straps are polished stainless steel with billet aluminum fittings and stainless steel socket-head screws

### MEMPHIS SHADES® EL PASO SPORTSHIELDS

The El Paso Sportshield offers plenty of protection with a wide variety of heights. From 13" to 19" above the headlight, the El Paso is the most versatile sportshield in the line up. What sets the El Paso apart is the lower cut outs. Designed to work on bikes with handlebar-mounted turn signals, the El Paso's cutouts also celebrate a minimalist style that looks great on your cruiser.

- Smooth design complements your bike
- Tapered windshield lower is ideal for handlebar-mounted turn signals
- Fits all round headlights
- Available in Solar (light tint with 72% visible light transmission), Black Smoke (black tint with 40% visible light transmission) and Dark Black Smoke (black tint with 25% visible light transmission)
- Made of Lucite® for excellent clarity and weather resistance
- Measures 20" W x 17" H or 19" H above headlight
- All hardware is CNC-machined billet aluminum and polished stainless steel
- No-Tool, detachable Trigger-Lock mounting kit, sold separately
- Made in USA

### MEMPHIS SHADES® DEL REY SPORTSHIELDS

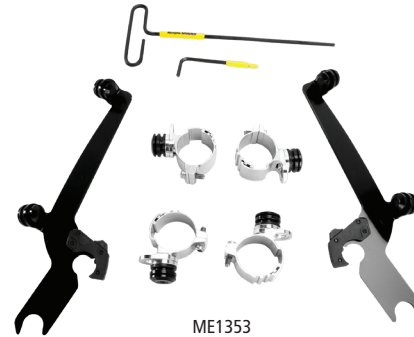

The Del Rey is a minimalist shield for just the right amount of protection and style. With its 13" height from the top of the headlight cut-out, it is the smallest shield in our Sportshield family. If you are looking for a small shield for just the right amount of wind protection, the Del Rey is your answer.

- Small, sleek design that offers fair protection in a minimalist package
- Measures 15" W x 13" H above headlight
- Fits all round headlights
- Made of Lucite® for excellent clarity and weather resistance
- All hardware is CNC-machined billet aluminum and polished stainless steel
- No-Tool, detachable Trigger-Lock mounting kit, sold separately

## MEMPHIS SHADES® SPOILER WINDSHIELD FOR TOURING

Be prepared to not be blown away; by wind turbulence that is. The Spoiler Windshield for your Harley-Davidson® Bagger was designed using industry leading CFD software and tested on thousands of miles of pavement to get real world feedback, the Spoiler Windshield is the perfect example of "Less is more." The spoiler area of the windshield diffuses and slows down the airflow, leaving you in a buffeting free zone to ride in comfort. In testing, the Spoiler Windshield acts over 2.5" higher than it is, meaning a 5" spoiler does the work of an 7.5" straight windshield and so on. Run a lower shield than you normally would with our Spoiler Windshield and enjoy a clear field of vision with no buffeting.

- Designed to be looked over, the spoiler windshield diffuses the air stream effectively slowing the flow, without buffeting
- Available in Smoke (medium bronze tint with 30% visible light transmission) and Dark Black Smoke (black tint with 25% visible light transmission)
- Mounts with O.E.M. hardware for perfect fit
- Made of Lucite® for best quality and durability
- Made in USA

**MEMPHIS SHADES® REPLACEMENT PLASTIC FOR O.E.M. WINDSHIELDS**

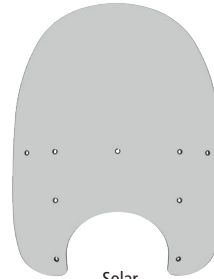

Have a Harley-Davidson® that came from the factory with a windshield but need that extra bit of customization to make it perfect? The answer is Memphis Shades replacement plastics for your Harley-Davidson® O.E.M. Windshield. A value packed product, our replacement plastics are offered in our seven signature colors and many different sizes for most Harley-Davidson® motorcycles that come equipped with an O.E.M. windshield. Perfect fit, many options and industry exclusive mounting hole inserts to prevent over tightening issues, the Memphis Shades Replacement Windshields are the perfect addition for your Harley-Davidson®.

- No-Tool, detachable Trigger-Lock mounting kit, sold separately
- Made in USA

Note: These windshields do not fit all models be sure to check measurements first. Measurements are approximate, and center-to-center of holes. Bolt-to-bolt measurements will vary.

**POLYCARBONATE STRENGTH**

- 10x Greater impact resistance than high-impact acrylic!
  - 20x Greater impact resistance than typical acrylic!
- Hardcoated polycarbonate (left) resists damage from a ball-peen hammer applied at full force. However, an acrylic shield (right) easily shatters into sharp slivers.

**QUANTUM® SCRATCH RESISTANCE**

- 10x Greater scratch resistance than standard hardcoating!
  - 30x greater scratch resistance than typical acrylic!
- Quantum® hardcoated polycarbonate strongly resists scratches and abrasion while acrylic material scratches very easily.

Quantum® is an exclusive product of National Cycle Inc.

**PRECISION FORMING AND QUALITY ROUTING**

The full-bodied, dimensional designs provide better airflow and protection for the rider and the passenger and is another example of national Cycle's no-compromise approach to quality.

All holes and mount points are precisely drilled for perfect fit and alignment. All windshield edges are routed for a smooth radiused finish.

**3-YEAR MANUFACTURER'S WARRANTY**

All National Cycle polycarbonate windshields are made in the USA and are covered by their exclusive 3-Year Warranty against breakage!

**NATIONAL CYCLE® VSTREAM WINDSCREEN**

The revolutionary VStream® Windscreen gets its name from the unique shape and dimensional contour designed and engineered into the windscreen. The patented "V" profile helps push the turbulent wind out and away from the side of the rider's head, producing a quieter and more comfortable riding experience for both the rider and the passenger. Designed specifically for each model bike to ensure optimum performance and perfect fit using the O.E.M. mounting hardware. 4.5mm polycarbonate for outstanding impact strength 20x greater than acrylic. Coated with National Cycle's Quantum™ hard coating or FMR hard coating, depending on windscreen shape, for unbeatable scratch resistance. Dark 89% tint reduces glare in bright sun.

- 40% thicker than stock
- All FLTR VStream® Windscreens include metal compression limiters that spread the load for long life and durability
- Three-year manufacturer's warranty against breakage
- Made in USA

All VStream Windscreens are manufactured in the USA from thick, durable hardcoated polycarbonate and are covered by National Cycle's exclusive 3-Year Warranty against breakage!

**VStream®**

National Cycle's exclusive Quantum® hardcoating takes motorcycle windshields a quantum leap forward. These are the strongest, most scratch resistant windshields available anywhere. Quantum® is an exclusive product of National Cycle Inc.

<sup>1</sup>With factory bar mount fairing

Measured on centerline from top of fairing edge to top of screen.

**SWITCHBLADE® WINDSHIELDS: ON OR OFF IN LESS THAN FIVE SECONDS... WITH NO TOOLS!**

SwitchBlade Windshields are manufactured in the USA from thick, durable hardcoated polycarbonate and are covered by National Cycle's exclusive 3-Year Warranty against breakage!

National Cycle's exclusive Quantum® hardcoating takes motorcycle windshields a quantum leap forward. These are the strongest, most scratch resistant windshields available anywhere. Quantum® is an exclusive product of National Cycle Inc.

**NATIONAL CYCLE® SWITCHBLADE QUICK RELEASE WINDSHIELDS**

Premium, quick-release hardware that's built to last. Just grab the shield, and pull it off your bike...no tools required! Stainless steel mount brackets glide easily on and off the stainless steel mount spools. 4.0mm thick Lexan® polycarbonate with 20x more impact resistance than other acrylic or Lucite® plastic windshields. Hardware is made from thick-gauge material with beveled edge detailing and finished in high polish or bright chrome. Exclusive Quantum™ hard coating provides 10-30x better scratch resistance than any other windshield material on the market. Switch your style: four sizes and styles for every bike and any rider, and they all fit your mount kit.

- Three-year manufacturer's warranty against breakage
- Made in USA

Note: Mount Kits are sold separately.

**Switchblade® 2-Up®**

- Features maximum wind and weather protection
- Best windshield for long distance touring
- Add a set of Chrome Lower Deflectors and enjoy miles of whisper-quiet riding

**Switchblade® Chopped™**

- Like the 2-Up, but with a chopped top and a slimmer waist
- Great wind protection while allowing a clear view over the top
- Excellent choice for shorter riders or cruisers with lowered rear suspension

**Switchblade® Shorty®**

- Slim profile with aggressive styling
- Abbreviated contours look great on performance cruisers and street rods
- An ideal choice as your "daily rider" in warmer weather

**Switchblade® Deflector™**

- Keeps wind blast off your chest
- The perfect shield for urban cruising
- Features patented Rake Adjust™ for changing windscreen angle
- Rake adjustable!

## SWITCHBLADE MOUNT KITS

### How Do SwitchBlade® Windshields and Mount Kits Fit Your Bike?

Each SwitchBlade® windshield and mount kit is model-specific. These are not “universal” fitments that work fine on some models and work poorly on others.

When you order the mount kit and any SwitchBlade® windshield for your model bike, you can be sure it will fit like it was custom made for your bike, because it was!

**SwitchBlade® Mount Kits for Exposed Fork Tubes**

**SwitchBlade® Mount Kits for Nacelle-Style Fork Tube Covers**

### How to Select the Correct SwitchBlade® Windshield and Mount Kits to Fit your Bike

1. Determine your motorcycle’s make, model and year.
2. Choose the appropriate SwitchBlade® Mount Kit (see application chart on page 233).
3. Determine what style windshield best fits you.
  - Consider your height and saddle position
  - Determine your riding habits: Daily commutes? Long trips? Weekend rides?
  - Do you want maximum protection? A sporty look? Or a combination?
4. Pick the appropriate SwitchBlade® 2-up, Chopped, Shorty or Deflector windshield.

Still can’t decide? Choose two or even all four of the SwitchBlade® shields. With the Quick Release SwitchBlade® Mount Kit, you can change your windshield as quickly as you change your mind.

## NATIONAL CYCLE® SPARTAN QUICK RELEASE WINDSHIELDS

Made of 4.0mm polycarbonate for impact strength 20x greater than acrylic. Quantum™ hard coating provides unbeatable scratch resistance 30x greater than acrylic. Mounts to the tried-and-true SwitchBlade® Mount Kits. Easy custom fitments with patented slotted tabs that adjust for different width forks. Rubber grommet suspension with compression limiters.

- Three-year manufacturer's warranty against breakage
- Made in USA
- All National Cycle Switchblade Windshield accessories also fit the Spartan Windshields

Note: Mount kits are sold separately.

Mounts to National Cycle's SwitchBlade® Mount Kits!

552816

Shown with 551098 Holdster™ Windshield Bag

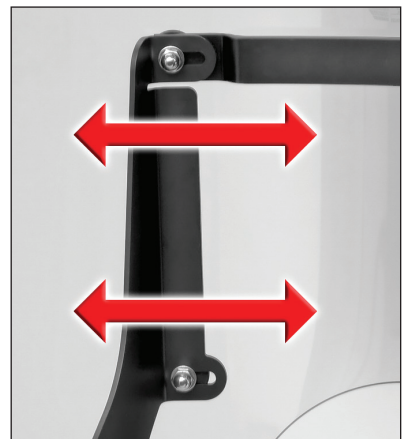

552820

552816

**Spartan's unique patented parallel slotted tabs easily adjust for a perfect, customized fit no matter what fork width your bike has.**

Spartan Windshields are manufactured in the USA from thick, durable hardcoated polycarbonate and are covered by National Cycle's exclusive 3-Year Warranty against breakage!

National Cycle's exclusive Quantum® hardcoating takes motorcycle windshields a quantum leap forward. These are the strongest, most scratch resistant windshields available anywhere. Quantum® is an exclusive product of National Cycle Inc.

## NATIONAL CYCLE® WAVE QR FAIRINGS AND MOUNTING KITS Innovative quick-release fairings...more than just a windshield!

WINDSHIELDS

The stylish Wave QR Fairing will give your motorcycle one big attitude. It fits the front end like a glove and features chrome quick release brackets with rake adjustability. The fairing is completely assembled and ready to mount to National Cycle's Quick Release Mount Kit.

- Polycarbonate with FMR hardcoat
- Chrome quick release hardware with rake adjustability
- The highly regarded Quick Release Mount Kit is the same as used for SwitchBlade® and Spartan® Windshields
- Mount Kit sold separately
- Three-year manufacturer's warranty against breakage
- Made in USA
- XL model in light tint (screen size requires light tint for DOT approval), all other models in dark tint

**NATIONAL CYCLE® HEAVY DUTY™ WINDSHIELDS**

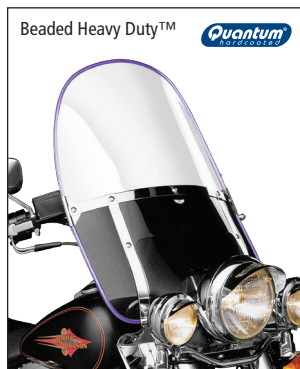

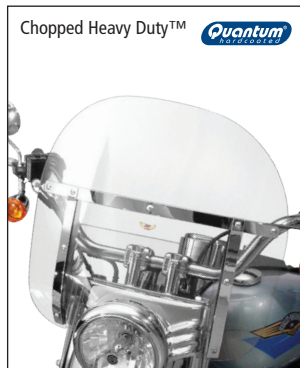

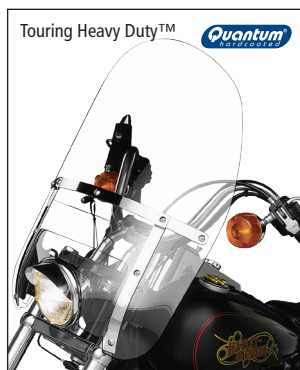

The famous Heavy Duty™ line of superior quality windshields feature hardcoated Quantum® hardcoated polycarbonate construction, polished chromed steel outer hardware and black epoxy coated inner hardware. Available in two frame widths and six styles to suit any rider and any cruiser motorcycle. Classic style with adjustable center window. Chrome plated Heavy Duty™ Mount Kits are bike-specific and are sold separately.

- Made in USA

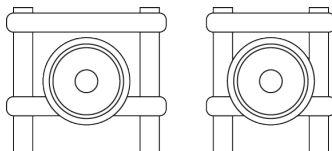

**Wide Frame Heavy Duty**

**Narrow Frame Heavy Duty**

**Wide Frame or Narrow Frame?**

Heavy Duty™ Windshields are in Wide and Narrow Frame to provide you a selection of sizes and looks for your motorcycle.

**Wide Frame Heavy Duty Windshields** are intended for bikes with wide spacing between the fork tubes measured center-to-center. Mount Kits for wide frame bikes will only accept Wide Frame Heavy Duty Windshields.

**Narrow Frame Heavy Duty Windshields** look best on bikes with narrow spacing between the fork tubes. In some cases - and with the appropriate Mount Kit - a Wide Frame Heavy Duty Windshield can be mounted on a bike with a narrow frame fork tube spacing.

All Heavy Duty Windshields are manufactured in the USA from thick, durable hardcoated polycarbonate and are covered by National Cycle's exclusive 3-Year Warranty against breakage!

National Cycle's exclusive Quantum® hardcoating takes motorcycle windshields a quantum leap forward. These are the strongest, most scratch resistant windshields available anywhere. Quantum® is an exclusive product of National Cycle Inc.

**Touring Heavy Duty™ (Wide Frame)**

- Tall screen with wide proportions, excellent wind protection
- Great choice for taller riders, and a top seller
- Classic looks and high-luster chrome outside hardware

**Chopped Heavy Duty™ (Wide Frame)**

- Low-profile screen with wide proportions, great wind protection
- Preferred by riders who want to see over the screen
- Excellent choice for shorter riders and low saddle heights

**Beaded Heavy Duty™ (Wide Frame)**

- Authentic, classic three-piece construction with beaded trim
- Choice of clear or black lowers
- Vintage looks with modern materials and performance

**Custom Heavy Duty™ (Narrow Frame)**

- Tall screen with slim proportions, excellent wind protection
- One of the most popular windshields on the market
- Great choice for touring on almost any cruiser

**Low Boy Heavy Duty™ (Narrow Frame)**

- Great choice for shorter riders and low saddle heights
- Cut-down version of the Custom Heavy Duty
- Classic looks and high-luster chrome outside hardware

**Ranger Heavy Duty™ (Narrow Frame)**

- Takes the slim and compact profile to the limit
- The perfect solution for riders who want just a small shield
- Great for low-profile, performance-styled cruiser

## WIDE FRAME WINDSHIELD MEASUREMENTS

### Touring Heavy Duty

Cutout to Top  
20.00 - 21.50"  
(50.8 - 54.6cm)  
Overall Width  
21.50" (54.6cm)

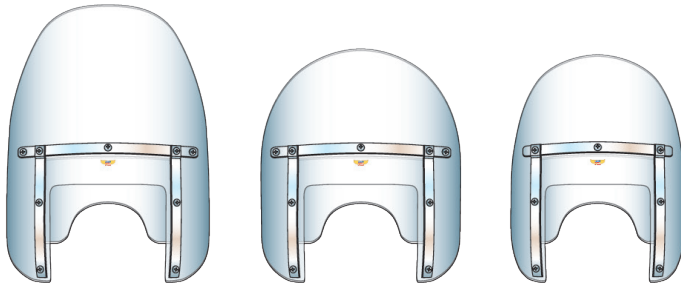

### Chopped Heavy Duty

Cutout to Top  
14.25 - 15.75"  
(36.2 - 40.0cm)  
Overall Width  
21.50" (54.6cm)

### Beaded Heavy Duty

Cutout to Top  
19.50 - 21.25"  
(49.5 - 54.0cm)  
Overall Width  
22.50" (57.0cm)

## NARROW FRAME WINDSHIELD MEASUREMENTS

### Custom Heavy Duty

Cutout to Top  
19.00 - 21.00"  
(48.2 - 53.3cm)  
Overall Width  
19.00" (48.3cm)

### Low Boy Heavy Duty

Cutout to Top  
14.25 - 16.00"  
(36.2 - 40.6cm)  
Overall Width  
18.75 in. (47.6cm)

### Ranger Heavy Duty

Cutout to Top  
13.75 - 16.25"  
(34.9 - 41.3cm)  
Overall Width  
16.50" (42.0cm)

Heavy Duty Windshields are measured from the top of the headlight cutout to the top of the screen and horizontally across the back at the widest point.

### How to Select the Correct Heavy Duty Windshield and Mount Kit for Your Bike

1. Determine your motorcycle's make, model and year.
2. Choose the Heavy Duty™ Mount Kit for your bike (see application chart on page 239).
3. Determine what style windshield best fits you.
  - Consider your height and saddle position.
  - Determine your riding habits: Daily commutes? Long trips? Weekend rides?
  - Consider the width of your bike's forks and what would look best on your bike.
4. Pick your Heavy Duty™ windshield style and model.

### NATIONAL CYCLE® VINTAGE-STYLE BEADED WINDSHIELD

Attention all vintage restoration experts, National Cycle® Vintage-Style Beaded Windshields are now available for restoring your 36-47 Knucklehead or 1948 Panhead. These windshields are modeled directly from actual vintage windshields that National Cycle manufactured beginning in 1937. If your original windshield is old or cracked, replace it with an exact reproduction made by the same original manufacturer.

- Available in Clear, Black, Blue and Red
- Comes complete with all mounting hardware exactly like the originals
- Made from virtually unbreakable polycarbonate with an additional Quantum® hardcoating on the upper section for the best scratch resistance
- Beaded edge and steel ring are retained for an authentic, period correct appearance
- Three-year manufacturer's warranty against breakage
- Made in USA

HARLEY-DAVIDSON	Year	Color	P/N

All Vintage-Style Beaded Windshields are manufactured in the USA from thick, durable hardcoated polycarbonate and are covered by National Cycle's exclusive 3-Year Warranty against breakage!

National Cycle's exclusive Quantum® hardcoating takes motorcycle windshields a quantum leap forward. These are the strongest, most scratch resistant windshields available anywhere. Quantum® is an exclusive product of National Cycle Inc.

**NATIONAL CYCLE®  
UNIVERSAL MOUNT FLYSCREEN® WINDSHIELDS**

The Flyscreen® is a stylish item for custom cruisers, muscle bikes and performance machines. The clean, minimal appearance and chrome trim plate will enhance the look of your bike. The quality Linking Arm fork mount system with the counter sunk screws offers a custom fit for most motorcycles with open front forks. The popular and best-selling Flyscreen is a timeless classic.

- Chrome-plated hardware
- Chrome fork mounts and flush-fit countersunk hex bolts included
- 9" height from headlight cutout to top of screen
- Made in USA
- Various fork clamp sizes are available. Verify your fork tube outside diameter before ordering

Replacement Brass Inserts	9 pk	<b>417866</b>

**PINGEL® V-ROD WINDSHIELD RISERS**

These risers will give you the ability to redirect the airflow over the rider's head instead of directly into the face. Installation is simple and can be done in just a few minutes, with nothing more than a hex key wrench.

- For the 2002 or later V-Rod®, equipped with the Super Sport Windshield
- Polished stainless steel
- Made in USA

**P/N**  
**030595**

**HARBAGGER™ FAIRING BRACKET REPAIR KIT**

Economical way to repair your broken fairing bracket.

- Kit will repair both left and right side fairing brackets
- Easy installation
- All hardware and instructions included
- Fits 89-13 FLH models with Batwing fairings
- Made in USA
